Dear Mr President and members of the B.I.C.C,

As you may be aware The British Barcelona Club has decided to race with the Barcelona International in 2012. We believe, in the interest of all fanciers, that this should be a true National event as 2012 is both the year of the Olympic Games and Her Majesty's Diamond Jubilee. In view of this we wish to invite a delegation from the B.I.C.C. To meet with us to discuss ways that we, as responsible National Clubs, could come together over the organisation of this event and hopefully lead to greater co-operation in the future. We would therefore be pleased if you would contact me to establish arrangements for this Meeting.

Yours Sincerely

N. Rigiani
President B.B.C.
